

# 1 Corinthians: True Freedom is Peace in Christ

January 24, 2011

Freedom to be. . . (nothing?)

(From last week ch. 1.26-31) In church what is Christ? What are the People?

**What Good's a Preacher....?**

## I. What good's the Preacher (Ch. 2.1-4)

## II. When preaching is refined it's fine (Ch. 2.5-16)

- A. Must be refined of man's feeble wisdom (6-9)
  - 1. Cannot solve THE mystery.
  - 2. It's limit deprives it of God and leads to sin (8)
  - 3. Puts to death God's love (nature of sin) and is the foil to reveal God's love to faith.
- B. IT MUST REVEAL - BE REVELATORY = SPIRIT = CHRIST CENTERED SCRIPTURE.

## III. Blessing or Curse in the Church Depends On Preaching (Ch. 3).

- A. The apostle proclaims; believers are still carnal and shows why (believers, nothing but sinners - vs. 1-4 -).
- B. Preachers: God's chosen instrument to build his kingdom.
  - 1. They do something, but do nothing to make the kingdom grow. God does (7)
  - 2. God's co-workers; people are the field (9)
  - 3. Built upon the foundation (Christ) (10-15)
    - A. Where is this foundation now? What's NOT?
    - B. How are people built upon this foundation with precious/ignoble materials?
    - C. What's the testing? Passing the test? Purgatory?
    - D. Who escapes as through fire? Why has he no reward?
  - 4. Heretics are yet another thing (16-17). God will hold preachers responsible for what they preach.
- C. Preachers are nothing but given and giving everything.
  - 1. Self wise pastors are trapped in their own wisdom, justice for limiting God's wisdom (18-20).
  - 2. Pastors give Christians nothing. Having been given Christ through is Word all things are yours (21-22)

**Two weeks from today.... please read 1 Corinthians 4. Next week be a crusader.**
